**FERPA:** The Family Rights and Privacy Act of 1974 prohibits the release of this record or disclosure of its contents to any third party without the written consent of the student.

**GENERAL INFORMATION:** Kalamazoo College is a private, four-year, coeducational college of the liberal arts and sciences. The College offers the Bachelor of Arts degree.

**ACCREDITATION:** Kalamazoo College is fully accredited by the North Central Association of Colleges and Secondary Schools. It is an institutional member of the American Council on Education, the College of Entrance Examination Board, and the Association of American Colleges.

**CREDITS:** Kalamazoo College operates on an 11-week quarter calendar and uses a unit as the form of credit. Each unit equals 5 quarter hours or 3.33 semester hours. Students typically register for 3 units each quarter, although the minimum full-time load is 2.4 units.

**CALCUATION OF GPA:** CR (credit), NC (no credit), H (honors), IP (in progress), W (withdrawal passing), and WF (withdrawal failure) do not affect the GPA. IP may be used to indicate the status of a course that continues over more than one quarter.

**REPEATED COURSES:** Grades of (C-, D+, D-, starting Fall 2013), D, F, W, WF, or NC may be repeated. Both attempts will appear on the student's transcript, but only the second attempt will be used to calculate the student's Kalamazoo College cumulative grade point average with the exception of a grade with a W in the second attempt.

**STUDY ABROAD COURSES:** Prior to the Fall 2000, Study Abroad courses accepted toward the Kalamazoo College degree were graded CR/NC. Study Abroad courses after Fall 2000 are letter graded but are not included in the grade point average.

**SENIOR INDIVIDUALIZED PROJECTS:** Senior Individualized Projects are graded CR/NC and, therefore, are not included in the student's grade point average.

**OTHER CREDIT/NO CREDIT COURSES:** Programs offered through the Great Lakes Colleges Association and accepted toward the Kalamazoo College degree are graded CR/NC and, therefore, are not included in the student's grade point average.
